

East Brooklyn Community High School (EBCHS) is a transfer school committed to helping students earn their high school diploma, discover who they are and explore their leadership potential.

East Brooklyn Community High School

Create Your Future

East Brooklyn Community High School (EBCHS) Offers Many Unique Features

East Brooklyn Community High School provides students with a supportive and personalized learning environment. Our school features:

- Small class sizes. Each class is limited to 20-25 students. Total enrollment is no more than 200.
- Individualized relationships. Each student is paired with an Advocate Counselor who provides guidance and support as they set and achieve realistic goals.
- Highly qualified staff. Our teachers are experienced in addressing individual learning needs and designing projects that are connected to students' interests.
- EBCHS is a newly renovated, single-school site.

EBCHS Offers Students a Chance to Grow

Students are encouraged to set goals inside and outside the classroom. We provide young people with opportunities to:

- Share their voice and contribute to the life of the school.
- Form positive relationships with adults in school and in the community.
- Participate in paid internships and community service projects
- Explore interests and talents in a fun, creative and supportive learning environment.
- Plan for the future. Students receive personal, one-on-one guidance with college, vocational training and career opportunities.

Extraordinary reach. Unconditional care. Life-changing results.

We Encourage Family Involvement

A major key to our success is family involvement. We invite families to contact us who are interested in:

- Forming a partnership with school staff to support your child in achieving his or her goals.
- Receiving frequent, constructive feedback on your child's progress.
- Seeing your child in a positive learning environment that builds on strengths and prepares students for life after high school.

EBCHS Offers Opportunities for Success

- Opportunity to earn more credits than in a traditional school
- All classes prepare students with the skills needed for the Regents exams
- Weekly tutoring in small groups
- Biweekly feedback for students and parents
- Schedules designed to meet students' individual needs
