SCO Family of Services

Since 1868, SCO's Madonna Heights has helped adolescent girls, women and families overcome the devastating effects of poverty, neglect and abuse. Our Suffolk County-based services consist of community- and campus-based residential programs and a campus school for adolescent girls. An on-campus mental health clinic is available to Nassau or Suffolk County residents.

SCO Family of Services is widely known for its work with New York's most vulnerable—those striving to overcome the devastating impact of poverty, neglect, abuse, or developmental and mental challenges. SCO responds to moments of crisis and prevents crises before they occur with a comprehensive array of services, including those provided by Madonna Heights. SCO gives individuals and families the support and tools needed for a healthy, stable, and successful future, building stronger communities throughout the area.
