Close to Home Youth Commit Random Act of Kindness

Kindness starts with one person. From February 11 through 17, 2018 Close to Home youth at SCO Family of Services in South Ozone Park observed "Random Act of Kindness" week. The residents at 128 Street made lunches and distributed them to random individuals in need in the South Ozone Park Community. This is not the first time SCO, Close to Home youth and staff have stepped up on behalf of others, notes Deputy Commissioner Franco. "When Haiti was devastated SCO children collected batteries and toys, when Hurricane Maria destroyed Puerto Rico, SCO youth collected water; this week they made lunch for those in need in the neighborhood. Thanks SCO!"
